Panto Crime!

Where's the killer? Behind You! It's the final rehearsal of the annual pantomime but disaster has struck. One of the stars has been found dead in the dressing room and the festive fun has turned into a festive felony. It's time to question the suspects and find out if 'Oh No They Didn't' or 'Oh Yes They Did' as the cast try to pull together and make sure the show will go on!

So get ready to slap those thighs and slap those hand cuffs on a killer as you discover there is nothing like a dame... except when there is a murder involved!
