

THE
NORTH EUSTON
HOTEL

Brochure and Events 2024

Welcome

The North Euston Hotel which opened in 1841 was designed by the foremost architect of the day, Decimus Burton. It derives its name from the fact that it stood at the end of the railway line from London Euston.

The Imposing frontage dominates the Fleetwood waterfront, and enjoys spectacular panoramic views of the Wyre estuary and the Lake District hills.

Ideally situated within easy walking distance of the town centre and local amenities including Marine Hall and directly across from the tram stop which can deliver you to the bright lights of Blackpool and back again!

Renowned for quality and service in comfortable surroundings we are a perfect choice for business or pleasure, somewhere you'll want to return to time and time again.

As a family owned hotel and with a great team of management and staff, you are sure to find a warm welcome whatever the occasion!

We look forward to welcoming you!
