**Lynne and Steve Aspinall join us twice a year for a great weekend of crafting. Lynne is a craft demonstrator with many years' experience, who makes everyone welcome at her weekends here at the North Euston as she designs them for beginner and experts alike. It's a great opportunity to get together with your friends or make new friends whilst making delightful projects to take away. You can bring your own tools with you, however Lynne does provide all the tools and materials necessary for the projects.**
